

LANDLORD & TENANT MEDIATION

FREE PROGRAM
through Dec. 20, 2020

NEED HELP?

Do you have disagreements with your Landlord or Tenant? Has communication broken down?

Do you think your landlord, or your tenant is not following the rules? Are there issues that must be addressed now?

During Covid-19, the court is closed to landlord-tenant disputes. **Vermont Legal Aid** and **Vermont Landlord's Association** are sponsoring a **FREE PROGRAM** of mediation for landlords and tenants. Mediations will take place online.

Mediators can help people find a solution to the problems, rather than end the landlord-tenant relationship.
